Why Sponsor?

Community

Raise your company's profile within the industry. Show potential customers what you offer all year long! Facebook adds, eblasts, logos on all email correspondence sent by SWA as well as all events run by SWA throughout the year!

Connect

Connect with distributors and build relationships with existing and potential customers. Sponsor logos on all event materials throughout the year! Includes Regional Meetings, Profit Enhancement, LDC Events, and Annual Convention.

Contribute

Showcase your products and services. Use the Eblast included with some levels of sponsorship to launch your latest offerings and let distributors know what's new. Meet with Wholesalers during the convention and discuss your products in person. Sponsors can include give-away items in event welcome bags!

Collaborate

Discuss and engage with distributors about their needs and how your services/products can meet their needs. We are happy to help our Annual Sponsors connect with desired SWA distributor members. Let us know how we can help!
